## International Trade Press Stand REHACARE INTERNATIONAL 2019

Dear Sir or Madam,

During **REHACARE INTERNATIONAL 2019**, the press department of Messe Düsseldorf will be setting up an **International Trade Press Stand** where you can display up to 200 copies of your trade magazines. Staff at the trade press stand will ensure that your magazines are distributed to guests at the fair and that the displays are replenished. All the magazines on display together with key media data will be listed in a catalogue and handed out on request to REHACARE exhibitors and visitors.

### How much does it cost to take part in the International Trade Press Stand?

For a one-off charge of EUR 180.00 (plus 19% VAT) per title, you can display up to 200 free copies of your magazines at the trade press stand. You will be invoiced after the fair. Once the fair has drawn to a close, we regret that any remaining copies of your magazines cannot be returned. Please therefore ensure that remaining copies are collected in good time.

### How do I register?

If you are interested in our offer, please complete the attached registration forms and email them back to us by **09 September 2019**.

### How can I deliver my magazines? When should they arrive?

The copies of your magazines (**max. 200**) should reach our carrier Kühne & Nagel **by 12 September 2019** at no expense to us (including customs). Kühne & Nagel will store the magazines until the installation of the trade press stand.
